Hiring a sampan to meander slowly up and down the Sarawak River is the best way to get your first impression of Kuching. This wildlife centre has a thriving population of healthy adolescents and young adult semi-wild Orangutans. They spend most of their time roaming the forest but are trained to get back to the centre during feeding times where they will be able to get a free meal from the caretakers.</p> <p>Include: Transport, guide, entrance fee. JONG CROCODILE FARM		RM
<p>The largest crocodile farm in Malaysia and one of the largest in Southeast Asia. Its main purpose is to conserve and breed crocodiles while also educating visitors about these fascinating reptiles.</p> <p>Expect to see various species of crocodiles, including the fierce saltwater crocodile (Crocodylus porosus) and the smaller but equally impressive African dwarf crocodile (Osteolaemus tetraspis). The farm provides a safe and controlled environment for the crocodiles, allowing visitors to observe them up close. There are feeding sessions where visitors can witness the powerful jaws and feeding behaviors of these creatures. Other exhibits feature snakes, lizards, and tortoises, providing visitors with an opportunity to learn about different reptilian species. Additionally, the farm often organizes shows and demonstrations where skilled handlers showcase their expertise in handling and interacting with crocodiles.</p> <p>Include: Transport, guide, entrance fee. SANTUBONG WILDLIFE MANGROVE CRUISE		RM
 <p>The wildlife cruise experience of Sarawak takes place mainly in the vicinity of Kuching Wetlands National Park. BAKO NATIONAL PARK		RM
<p>The star of Bako National Park is undoubtedly the proboscis monkey, the big nosed, pot-bellied comedian of the rainforest. But the star has a supporting cast of long-tailed macaque monkeys, usually patrolling the park headquarters, silvered leaf monkeys, monitor lizards and squirrels and flying lemurs that glide from tree to tree.</p> <p>Include: Transport, guide, entrance fee, meal (1L). Time of Departure: 0800 HRS Duration of Tour: 08 HRS</p>		RM420 p.p
2D1N IBAN LONGHOUSE ADVENTURE		RM
<p>The Iban tribe of Borneo are unique and special people. These are the former headhunters of Borneo, but headhunting days are now long gone. More or less. Some groups of Iban still traditionally live in communal longhouses where dozens of families share a large covered communal area. In Sarawak, a visit to an authentic longhouse is considered a must. In the Central Region of Sarawak, an Iban longhouse is one of the main attractions for tourists. Several other ethnic groups traditionally live in longhouses, so expect a variety of ways in which you are welcomed. Traditionally the Ibans do not shake hands to welcome visitors. Today, though, this is highly acceptable.</p> <p>Include: Transport, guide, entrance fee, meal (2L1D1B), accommodation. Time of Departure: 0800 HRS Duration of Tour: 2D1N</p>		RM770 p.p
2D1N BIDAYUH LONGHOUSE EXPERIENCE		RM

Learn about the "confrontation," the undeclared war between Malaysia and Indonesia during the first part of the 1960s. Visit and see some of the longhouses. If you'd like, help prepare lunch in bamboo shafts cooked over a fire. Your visit will include multiple opportunities to walk around, talk with people, and get a sense of what life is like for these rice and rubber farmers.</p> <p>Include: Transport, guide, entrance fee, meal (2L1D1B), accommodation. Time of Departure: 0800 HRS Duration of Tour: 2D1N</p>		RM680 p.p
